**Kia ora, talofa lava, malo e lelei, 问候, namaste, 인사, 拝啓, mabuhay, bem vindo, fakalofa lahi atu, kia orana, kohomada, bula vinaka, huān yin, foon ying, marhaba, oso oseyo, olà, welcome!**

Kia ora koutou, welcome to you all.

Last week there was great excitement here as we heard the news that Megan Clotworthy is to be the new principal, starting next term. My personal congratulations to Megan who I know will do a great job here. I have loved working with Megan and watched her over the past 7 plus years slowly but surely turn into a first rate principal. I have every confidence in her ability to lead this great school and have a real sense of pride knowing how she values the work that has already gone on here.

Appointing a new principal is an enormous task for a Board of Trustees and one of the most important jobs a Board will do. It is critical to get the right person for the job while, all the time, keeping an eye of the future direction and vision for the school and its community. It is not just about choosing someone nice or flashy, but someone who has a deep knowledge of 21st century pedagogy and is able to think in a visionary way to ensure the school moves forward in the ever changing world we live in. I wish Megan all the very best as she takes over the role here. I have loved being the principal here. This is a very special community and the positivity that you show towards your children's learning and development is incredible.

This week we welcome Rebecca Wharton who is teaching here in the new Rimu Room. Rebecca has taught various age levels throughout her teaching career and we are very pleased to have her with us. Rebecca has a real passion for learning through play so I am sure she will be a wonderful asset to our Year 0/1 team. Enjoy your time with us Rebecca and a very warm welcome to you.

Last week we farewelled Nick Dowden as he moved closer to home and out of the traffic snarls around the Pakuranga/Panmure area. I wish him well in his new school. At this point in time I do not have a replacement for Nick but I am in the recruitment stage now. Jai (our assistant caretaker) is stepping up with slightly increased hours and I am very grateful to him for doing so. If anyone has an hour or two to volunteer with some gardening and ground tidying I'd appreciate your help.

#### **Parent Group:**

Thank you very much to those of you who came along to the AGM this year. A very special thanks to Angela Thompson who has agreed to stand again as president. Although Angela was planning to take a slightly back seat, the position was not filled and she has agreed to continue on in the meantime. Thank you also to Tonya McNeil who will be vice-president, Elise Pulido who will continue on as secretary

and Sam Sherer who has accepted the treasurer role. Your support for the school is greatly appreciated and the work of the Parent Group creates a very special part of this amazing school community.

As I said in my annual report to the Parent Group, *“Thank you most sincerely for the outstanding commitment you give our school and community. It is an absolute privilege to be the principal here and your work and interest in providing the best for your children is greatly appreciated. I will miss this community enormously as I head in to retirement and sincerely wish you every success for the future”*.

### **Pink week:**

This week is a busy and thought-provoking week for the children as we focus on the anti-bullying campaign and the kindness, care and respect that we need to show one another in order to counteract bullying. Please take as many opportunities as you can to talk with your child or children about this matter. What we model and how we, as adults act, has an enormous impact on our children and the way they behave through their own lives. Watch out during the week for details as they arrive and please do come along on Friday to **Showcase Afternoon** (2.00 to 3.00pm) if you can.

Friday is a mufti day and the children are encouraged to wear pink, black or white and to bring a gold coin for a donation to support mental health awareness. There will also be a pink themed after school café this week.

### **Showcase Afternoon:**

This Friday, from 2.00 to 3.00 we are holding the first of our showcase afternoons for the year. Showcase Afternoons are a time where we open up the class spaces and invite you to come along and join in the learning. You may be involved in an art session, or a physical education lesson or even a writing time. Whatever is on the programme, you are invited to join in. Come and enjoy working alongside your child for a while and maybe even helping with the programme.

### **Road Safety Week - Save Lives # Speak Up**

Last week Royal Oak Travelwise students ran a successful campaign for Road Safety. During the week our team focussed on some key aspects.

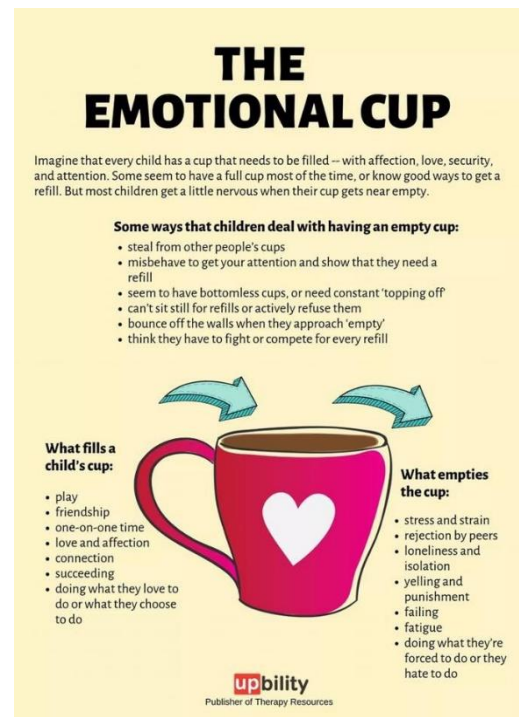

### **Wheels Safety Check**

Travelwise students focussed on the safety of students scooting and biking to school. They recorded the students who were wearing helmets and vests and handed out golden tickets. The results from the check are as follows:

- Bike riders are being very safety conscious and are always wearing helmets
- Most scooter riders are wearing helmets, but not all!!!
- Vests are being worn by some of the cyclists and scooter riders. This is an area that really needs to be improved.

### **Be Bright Be Seen Day**

An outstanding number of students dressed in bright colours and came to school in a Travelwise way. The winning whanau for this event was Sheppard. Well done to them!!!

### **Back to School Campaign**

The aim of the campaign was to make drivers more aware of our crossing and the need to be prepared to stop at the lights before school and after school hours. The Travelwise team wore high visibility vests carrying bright placards displaying road safety messages.

A big thank you to our Travelwise Team who worked so hard over the week and to Kathy Managh for her leadership in this important area.

### **Absences and Lateness:**

Please notify the office before 9.00am if your child is away for the day or is coming in to school later in the day. You can phone 6242800 and press 1 for absence or email to [admin@rops.school.nz](mailto:admin@rops.school.nz). Do please let us know early rather than waiting for us to contact you. ### Why we Teach:

Congratulations to this group of Year 5 and 6 scientific podcasters. Last term they joined Nanogirl and Radio NZ at the Stardome to record their questions and ideas to make the very first of Nanogirl's Great Science Adventures Podcasts.

Last Thursday they were invited back to the Stardome for the series launch and to help rocket themselves to number one on the NZ podcast charts. Well done Christina, Zoe, Luke, Isla, Adam and Chloe.

You can listen live to Nanogirl's podcasts every Friday at 3:20pm or subscribe with your podcast app to listen anytime.  
Each episode is accompanied by a video so you can do an experiment a week at home.

### Peace

Peace looks like an exquisite field during blossom time,  
Intently gazing at the effulgent sun

Peace sounds like perfect silence,  
Calmly listening to content stillness

Peace feels like an immense, but fragile tree,  
With its roots seething with centuries of knowledge and wisdom and experience

Peace moves like the graceful, invisible wind,  
Elegantly waltzing to nature's melodious song

Peace smells like a scrumptious cheesecake  
Cheekily tantalising you with its extraordinary scent

Peace....

**Aryan Sharma Year 6**

### Excitement

Excitement looks like flashing lights on a shoe, a burst of bubble gum  
Excitement sounds like voices of laughter, a cheerful idea  
Excitement feels like a car drifting on to another path, a chase rises  
Excitement moves like the speed of light, a building explodes  
Excitement smells like butter chicken, spices tingling up my nose.
