DONATE

Our pre-loved team would still love your clothes (women and children), books, crockery, soft toys, small toys, children's bedroom items, games and puzzles, arts & crafts, dress ups, sports gear for kids and scooters. Drop off your stuff this week in the Matai room.

ENTER OUR VOLUNTEER COMP

SELL RAFFLE TICKETS

With 4 weeks to go 'til March 28 we need kids to get out and start selling their book of raffle tickets. Sell your tickets to family, friends, work colleagues and neighbours in the community. Drop off the ticket stubs, money and unsold tickets at the front gate or pay by kindo.

TALENT QUEST & LOADS OF FAMILY FUN

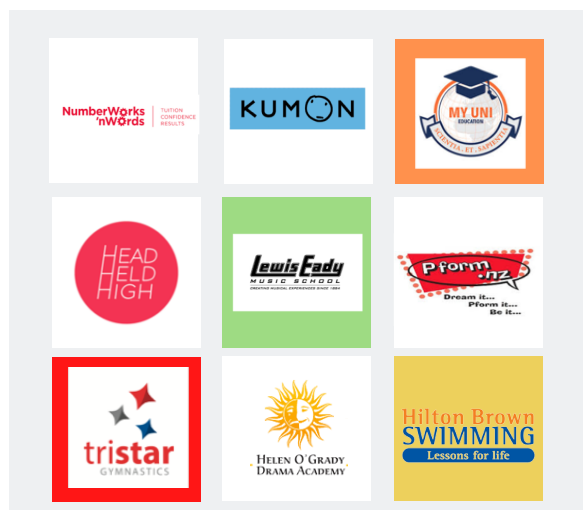

By popular demand, the Talent Quest is back! This week we had record numbers of kids audition for the Talent Quest. It's official, ROPS has DEFINITELY got talent. Huge congrats to all the kids (and their parents) for taking the plunge and auditioning - you will be the shining stars of our Carnival.

DO YOU LIVE ON A BUSY ROAD OR KNOW A LOCAL BUSINESS OWNER?

We are looking for friendly householders that live on busy streets, café owners and businesses with high foot traffic to put up our Carnival promotional posters outside. Signs can be put up and removed by our team. Please contact carnival@rops.school.nz if you know any locals that would be able to help us out.

NAB A GREAT DEAL ON DRAMA, MUSIC, SWIMMING, GYMNASTICS, NUMBERWORKS & KUMON TUITION WITH ALL PROCEEDS GOING TO SCHOOL!

The carnival team have been working with our local businesses to bring you some fantastic silent auction prizes. Thanks to the businesses alongside who have donated prizes for tuition! If you are looking for some extra tuition for your child, keep an eye out for our silent auction. All proceeds go to the school.

Parents and caregivers
We need
you!

IF I VOLUNTEER...WHAT WILL YOU ASK ME TO DO?

Believe it or not, we are not all fanatical volunteer people. Most of us are parents juggling lots of things and we get how busy life is. That's why we're leaving it up to parents to choose how much time they can commit.

If you have 1-2 hours spare on March 28, we'd love your help.

2 hour jobs we are looking to fill at the carnival include:

Hair Dressing & Face Painting - Wondering if a change of career is right for you? Try before you buy at our Hair Dressing stall. You'll help the kids of ROPS to look "on point" on this very special day.

Pre loved - Love Op Shopping? Love bagging a bargain or just secretly aspired to a career in fashion? Then this is the stall for you.

Book stall - Love a good book? Come and help our Book Stall team sort, sell and tidy and you can browse at the same time

Food stalls - Do you serve up dinner most nights? Then you're totally qualified to help out at our food stalls.

2 hour jobs we are looking for people to do from home/outside office hours include:

- Cooking, baking, growing (see tear-away form alongside), making preserves.

- Washing soft toys and clothes that need a bit of extra TLC (pick up from the Matai room.)

- Helping at the working bee on March 21/22.

You're welcome to sign up with friends. The Carnival is one of the biggest events in our community. It's organised and run by parents, not teachers - and the money raised will help make our school better for our kids.
