Kia ora whānau,

Here we are again, back at Alert Level 3. I hope that you are all coping well and managing to work from home and have the tamariki managing their distance learning. We do understand that this may be difficult for some whānau and we only ask that you do what you can manage. Thank you to all the whānau who registered their tamariki for 'Bubble School'. The drop off went smoothly on Monday morning and they are all settled in their bubbles. Once again, these are challenging times, however we have a wonderful community that rallies together to support each

other. Do contact us if there is anything you need, or any way that we can further support you. We are hoping to be back in Alert Level 2 or 1 next week!

Mahi Tahī evenings

Following the previous lockdown glitch that we experienced, the Mahi Tahī evenings have now been rescheduled to take place on Monday 22 March and Wednesday 24 March. The purpose of the evenings is to bring your whānau along and meet with at least one of the Kaiako in the classroom. A notice regarding this will come home early next week for you to rebook your times.

Year 6 Camp and Year Outdoor Education

We are very excited to announce that Whaea Felicity has managed to rebook the Year 6 Camp. It will now be on Monday 21 June through until Wednesday 23 June. Now we have those dates, we can move ahead on rebooking the Year 5 Outdoor Education that was also postponed. We will keep you posted. 😊

We also offer professional qualifications

In an ever-changing and fast-paced, technology-addicted world, it can be difficult to guesstimate what skills our children need in order to prepare them for an uncertain future.

However, there is a bedrock set of skills that have always been essential throughout history, and will continue to be for all generations to come. That is; the skills that give us the ability to communicate, to be creative, and to have a grounded sense of self-confidence.

In a nutshell this is exactly the family of skills that Head Held High speech and drama lessons are designed to develop.

At Head Held High we use hundreds of fun games and imaginative scenarios in our lessons, to teach conversation skills, confident body language, respect for ourselves and others, how to relate positively to peers and adults, public speaking skills, good manners, and harnessing creativity. All blended into a programme that all types of students love and have fun being a part of!

In addition to all of the above, Head Held high students also have the opportunity to gain globally recognised qualifications by sitting Trinity College of London or NZ Speech Board examinations.
