Tālofa,

Thank you to all the wonderful whānau who are being extra cautious keeping their tamariki home when they are feeling unwell. You may have heard in the news how stretched our hospital system is at the moment, this is understandable when we see how much illness we are seeing here at school.

### Teacher Only Day

A reminder that we have a teacher only day coming up next **Tuesday 7 June**, when our Kaiako will be focusing on local curriculum development and reporting. The tamariki **do not attend on this day**. Kelly Club will be operating for those who would like to book.

### Free On-line Safety Evening at Māngere Bridge School

Our Community has been invited to attend a free on-line safety seminar being held at Mangere Bridge School on Monday 13 June at 6pm. There are plenty of spaces still available. An eTap email was sent out regarding this on Monday. Although it is free, it is a ticketed event, please click on the link to book your ticket:

### Arriving at School on time

School begins at 8.50am each day. It is important that all our tamariki arrive prior to this time to enable them to be settled and ready for learning. The first bell goes at 8.25am. At this time, they are welcome to go into their classroom and get sorted for the day. If they are well, please ensure that your child is at school on time every day.

A great reading challenge with tasty rewards.  
HELL Pizza Reading Challenge

Dear Parents/caregivers

Your child's school is participating in the **HELL Pizza Reading Challenge**, which is being run in conjunction with the 2022 New Zealand Book Awards for Children and Young Adults.

The HELL Reading Challenge is a highly successful programme that gets tamariki reading and enjoying the pleasures of books, with the bonus of free pizza rewards.

How the Reading Challenge works:

Children are being given "pizza wheels". Every time they finish a book, a slice of the wheel gets clicked off or signed by a teacher or librarian. When they have finished seven books, they can take their completed pizza wheel to any HELL Pizza outlet and redeem it for a free 333 kids' pizza.

Here are the rules:

- Each pizza wheel is good for one 333 kids' pizza from any HELL Pizza outlet nationwide
- The wheel must be signed by a teacher/librarian, and stamped with the official school stamp
- One pizza per visit per child
- Wheels are non-transferable for money
- Children must redeem their free pizza in person, and before Tuesday 31 January 2023

If you have any queries about the HELL Pizza Reading Challenge, please contact the classroom teacher or the school librarian.

### Cultural Celebration Day

We are very blessed to have a school that is inclusive of so many different cultures. We love to celebrate all our cultural backgrounds. This is always a very special time at our kura. Thank you to all our whānau who supported this by sorting outfits to wear and sharing information about your heritage.

In an ever-changing and fast-paced, technology-addicted world, it can be difficult to guesstimate what skills our children need in order to prepare them for an uncertain future.

However, there is a bedrock set of skills that have always been essential throughout history, and will continue to be for all generations to come. That is; the skills that give us the ability to communicate, to be creative, and to have a grounded sense of self-confidence.

In a nutshell this is exactly the family of skills that Head Held High speech and drama lessons are designed to develop.

At Head Held High we use hundreds of fun games and imaginative scenarios in our lessons, to teach conversation skills, confident body language, respect for ourselves and others, how to relate positively to peers and adults, public speaking skills, good manners, and harnessing creativity. All blended into a programme that all types of students love and have fun being a part of!

In addition to all of the above, Head Held high students also have the opportunity to gain globally recognised qualifications by sitting Trinity College of London or NZ Speech Board examinations.
