Next year, in April 2024, **Royal Oak Primary School turns 100!** This will be a very special time of celebration and reflection. We are currently in discussion as to how and when we will mark this occasion. Please contact me if you have any information or contacts who could be helpful with this event - any past pupils or staff, any neighbours or friends of the school. Anything/anyone would be much appreciated at this stage. We will be looking at creating a committee to work on this event.

My contact details are: [meganc@rops.school.nz](mailto:meganc@rops.school.nz).

### Parent Evening Invitation: Restorative Practice

Thank you so much to those who attended the Restorative Practice parent evening. There was only a small group, however I know that those who attended got a lot out of it, including ways to approach behaviour management at home. It was a great evening, and we hope to offer other evenings later in the year.

## what's in it for the kids?

Head Held High holiday programmes are full of fun, learning and creativity for students aged Year 1 to Year 5. The programmes are taught by the same professional, enthusiastic and caring teachers who teach our speech and drama lessons across Auckland during the school terms, and they pack the day with speech and drama games and activities that kids love.

Designed by HHH founder - Kate Laurence - each day will be as FUN as possible for the children, whether they're having their first taste of speech and drama or are experienced campaigners with Head Held High.

It's really important to us that all students feel welcome and comfortable, regardless of their level of previous speech & drama experience or interest. Our teachers are experts at reading the individual requirements within a group, and the holiday programme games and activities will be delivered in ways that are engaging and challenging to all individuals' skill levels, simultaneously.
